

# Shravani Gole

• +91 9082142542 • shravnigole@gmail.com

Aspiring Full Stack Developer with hands-on experience in web development projects. Known for strong communication, teamwork, and problem-solving skills, with a consistent focus on building clean, user-friendly applications. Passionate about technology, highly determined, and committed to continuous learning and improving both technical and interpersonal abilities. A motivated individual with a positive attitude, strong organizational skills, and the ability to adapt quickly to new tools and challenges.

## Projects

### **SPLITEASE – An Android Application for managing and tracking group expense:**

*Android Studio | Java | Android SDK | Material Design | Room Database*

Developed a mobile app for managing and splitting group expenses with a clean, user-friendly interface. Built using Android SDK and Java, with Material Design for UI and Room Database for efficient local data management.

### **Hotel Booking Website:**

*HTML | CSS | JavaScript*

Designed and developed a responsive hotel website featuring multiple pages including home, rooms, gallery, and contact sections. Focused on creating a clean, user-friendly interface with smooth navigation and modern web design practices using HTML, CSS, and JavaScript.

## Technical Skills

**Web Development:** Practical experience in building responsive and interactive websites using HTML, CSS, JavaScript, and ReactJS. Comfortable creating user-friendly interfaces and websites.

**SQL:** Good understanding of database concepts with hands-on experience in writing queries, creating databases, and performing CRUD operations. Worked on small-scale projects and practice exercises for data management.

**Java Programming:** Familiar with core Java concepts including object-oriented programming (OOP), collections framework, exception handling, and file handling. Currently enhancing skills in Advanced Java topics like JDBC.

**Android App Development:** Experience in developing basic Android applications using Android Studio, Java, and XML for UI design. Built small-scale projects with activities, layouts, and database integration.

**Python & Flask:** Working knowledge of developing web applications using Python and Flask, with experience in backend routing, basic API integrations, and web app deployment.

## Skills

- Problem Solving, Leadership, Adaptability and Quick Learning, Strong Communication, Creativity.

## Education

**SSC | ST. LAWRENCE HIGH SCHOOL | VASHI, NAVI MUMBAI | MARCH 2020**

95%

**HSC | FR. AGNEL JUNIOR COLLEGE | VASHI, NAVI MUMBAI | MARCH 2022**

72%

**BACHELOR OF SCIENCE IN INFORMATION TECHNOLOGY (BSCIT) | SIES COLLEGE OF ARTS, SCIENCE AND COMMERCE | NERUL, NAVI MUMBAI | JUNE 2025**

9.08 CGPA

## Courses and Certification

**Developing AI Applications using Python and Flask**

*IBM via Coursera | 2024*

Completed an online certification course covering AI application fundamentals, Python programming essentials, Flask framework, and deploying AI-driven web applications.

**Full Stack Development in Java**

*QSpiders, Vashi | 2025*

Completed an intensive offline course covering front-end technologies (HTML, CSS, JavaScript, ReactJS), back-end development with Java and Advanced Java, SQL database management, and application integration.

## Additional Skills

**Volunteer Experience:**

- **Volunteer | Department of Lifelong Learning and Extension (DLLE)**  
*2022 – 2023*  
Participated in various social awareness programs, community outreach initiatives, and student engagement activities under Mumbai University's DLLE program.
- **Head Coordinator | IT Department Fest, SIES College of Arts, Science and Commerce (Nerul)**  
*2023 – 2024*  
Led the organizing team for the annual departmental technical and cultural fest. Managed event planning, volunteer coordination, and on-ground execution.

**Languages:** Fluent in **English**, **Marathi** and **Hindi**.
